

# **Laporan Hasil Project Pengumpulan Tugas**

---

Developer : Rafa Khadafi

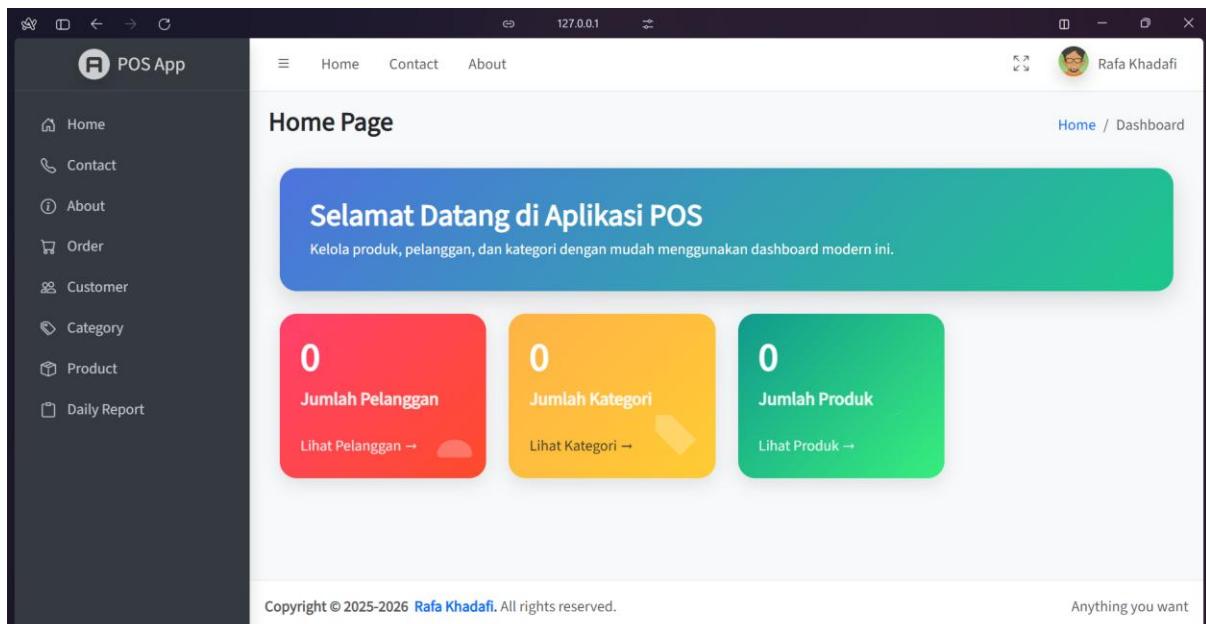

Kelas : 11 RPL 2

Nama Project : KhadafiShop (online shop versi  
php native)

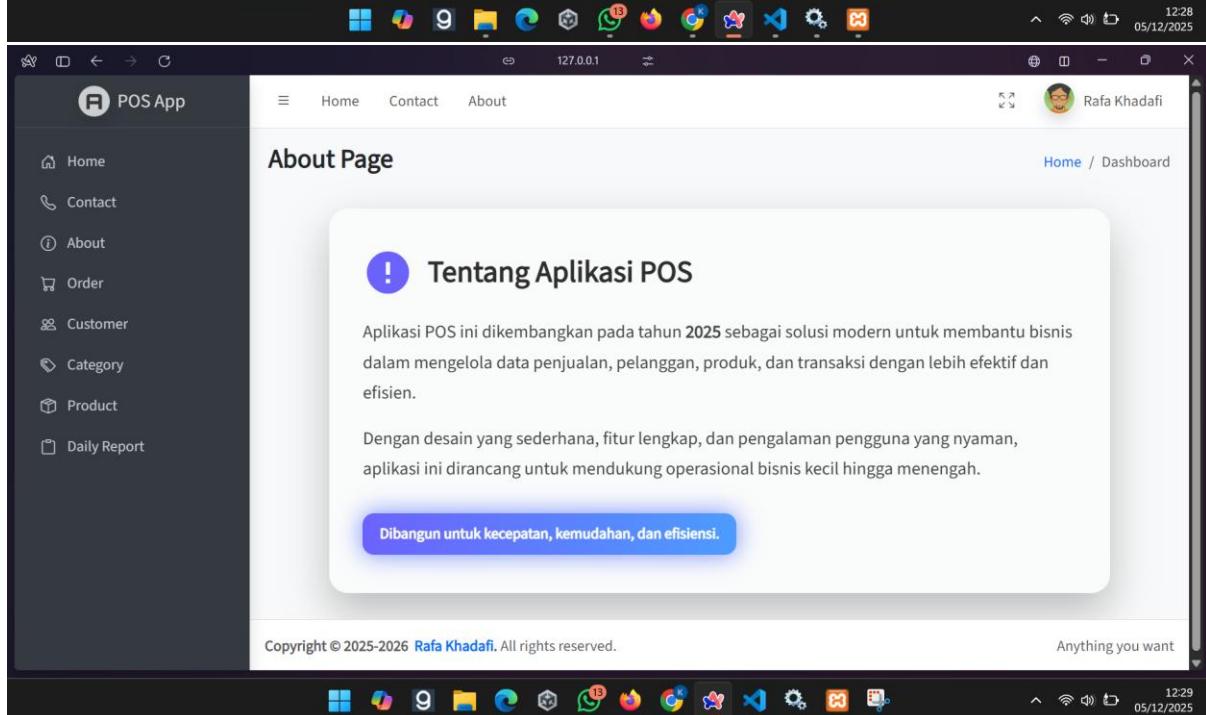

Bahasa Pemrograman : Php dan Javascript

Database : Mysql

Framework : Boostraps dan Laravel

The screenshot shows the Home Page of the POS Application. The header includes the application logo "POS App", a navigation bar with "Home", "Contact", and "About" links, and a user profile for "Rafa Khadafi". The main content features a large blue header with the text "Selamat Datang di Aplikasi POS" and a sub-instruction "Kelola produk, pelanggan, dan kategori dengan mudah menggunakan dashboard modern ini.". Below this are three cards: a red card showing "0 Jumlah Pelanggan" with a "Lihat Pelanggan →" button; a yellow card showing "0 Jumlah Kategori" with a "Lihat Kategori →" button; and a green card showing "0 Jumlah Produk" with a "Lihat Produk →" button. At the bottom, there is a copyright notice "Copyright © 2025-2026 Rafa Khadafi. All rights reserved." and a placeholder "Anything you want".

The screenshot shows the About Page of the POS Application. The header is identical to the Home Page. The main content features a large white box with a purple exclamation mark icon and the heading "Tentang Aplikasi POS". It contains text stating: "Aplikasi POS ini dikembangkan pada tahun 2025 sebagai solusi modern untuk membantu bisnis dalam mengelola data penjualan, pelanggan, produk, dan transaksi dengan lebih efektif dan efisien. Dengan desain yang sederhana, fitur lengkap, dan pengalaman pengguna yang nyaman, aplikasi ini dirancang untuk mendukung operasional bisnis kecil hingga menengah." Below this is a blue button with the text "Dibangun untuk kecepatan, kemudahan, dan efisiensi.". At the bottom, there is a copyright notice "Copyright © 2025-2026 Rafa Khadafi. All rights reserved." and a placeholder "Anything you want".

Anything you want

The screenshot shows the POS App interface on a Windows desktop. The left sidebar has a dark theme with white icons and text. The main content area is titled "Product Pages" and displays a success message "Data berhasil disimpan!". Below it is a table titled "Daftar Produk" (Product List) with two items:

ID	NAMA	DESKRIPSI	STOK	HARGA	KATEGORI	AKSI
1	nasi goreng	nasi goreng kambing enak gurih smoky	12	Rp 30.000	minuman	<button>Edit</button> <button>Hapus</button>
2	es kelapa	es kelapa dingin seger di campur susu	2	Rp 10.000	minuman	<button>Edit</button> <button>Hapus</button>

At the bottom, there's a copyright notice "Copyright © 2025-2026 Rafa Khadafi. All rights reserved." and a placeholder "Anything you want". The taskbar at the bottom shows various open applications.

This screenshot shows the "Tambah Kategori Baru" (Add New Category) form. The left sidebar is identical to the previous screenshot. The main form has a title "Tambah Kategori Baru" with a plus icon. It contains two input fields: "Nama Kategori" and "Deskripsi". The "Nama Kategori" field has placeholder text "Masukkan nama kategori (misalnya: Minuman, Makanan Berat)". The "Deskripsi" field has placeholder text "Jelaskan kategori produk ini secara singkat". At the bottom are two buttons: "Simpan Kategori" (Save Category) in blue and "Batal" (Cancel) in grey.

The screenshot shows a web-based POS application interface. On the left is a dark sidebar menu with options: Home, Contact, About, Order, Customer, Category, Product, and Daily Report. The main content area has a header with Home, Contact, and About links, and a user profile for Rafa Khadafi. The title is "Category Pages". A green success message box says "Data berhasil disimpan!". Below it is a table titled "Daftar Kategori Produk" with two rows of data:

ID	NAMA KATEGORI	DESKRIPSI	AKSI
1	minuman	minuman seger untuk santai	<button>Edit</button> <button>Hapus</button>
2	makanan	makanan berat	<button>Edit</button> <button>Hapus</button>

At the bottom, there's a copyright notice "Copyright © 2025-2026 Rafa Khadafi. All rights reserved." and a placeholder "Anything you want".

The screenshot shows a registration form titled "Daftar Akun POS". It includes a sub-instruction: "Siap mengelola bisnis Anda? Isi detail dibawah.". The form consists of three input fields: "Nama Lengkap" (Name), "Alamat Email" (Email Address), and "Kata Sandi" (Password). Below the fields is a blue "Daftar Sekarang" (Register Now) button. At the bottom, a link says "Sudah punya akun? [Masuk ke Akun Anda](#)".

The screenshot shows a web-based application titled "POS App" running on a local server at 127.0.0.1. The main menu on the left includes Home, Contact, About, Order, Customer, Category, Product, and Daily Report. The current page is "Tambah Pelanggan Baru" (Add New Customer). The form fields are:

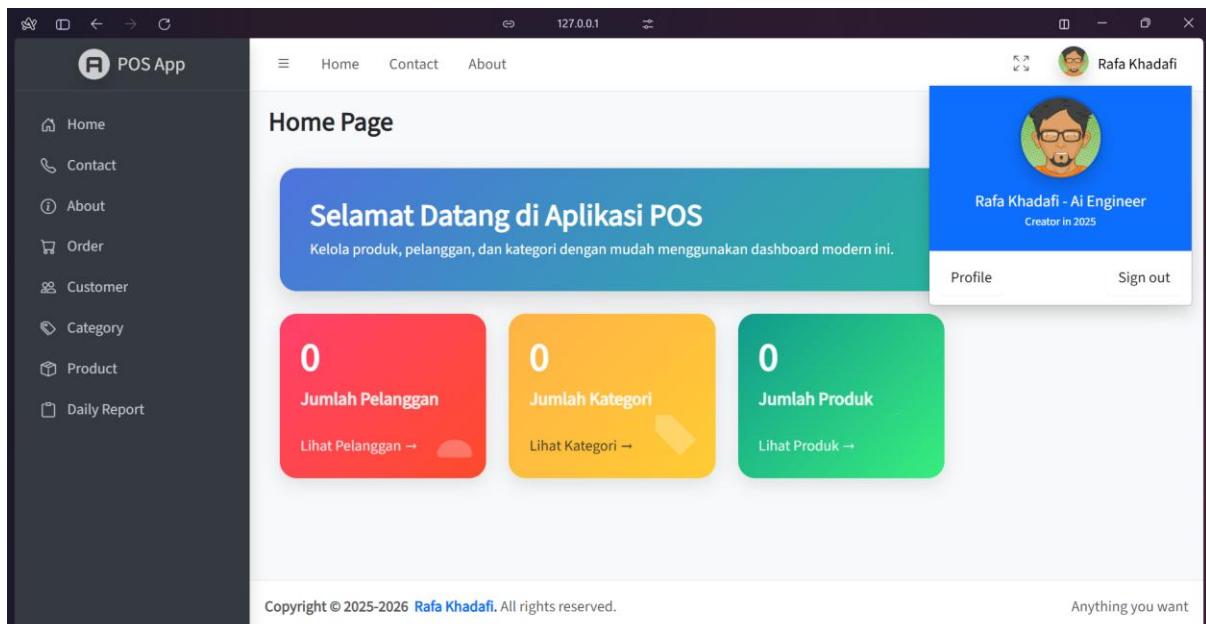

- Nama**: Masukkan nama lengkap pelanggan
- Email**: Masukkan alamat email aktif
- Alamat**: Contoh: Jl. Sudirman No. 10
- No. Telepon**: Contoh: 081234567890
- Status**: Non Member (dropdown menu)

At the bottom are two buttons: "Simpan Pelanggan" (Save Customer) in blue and "Batal" (Cancel) in grey.

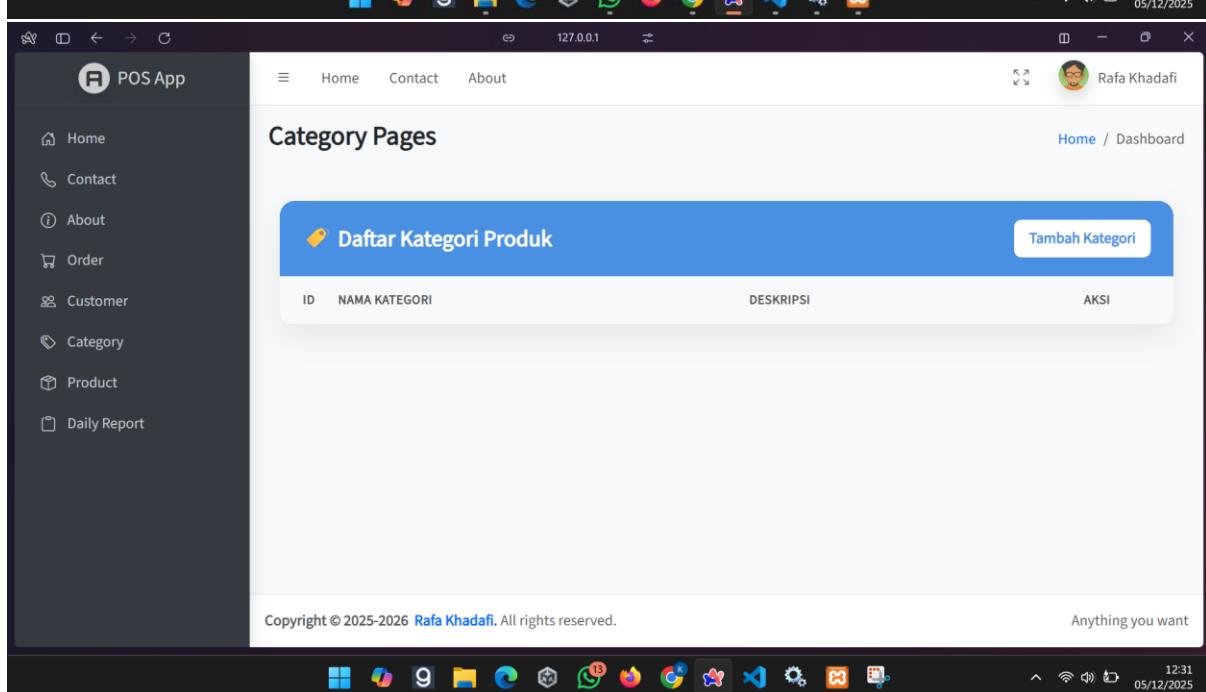

The screenshot shows the same "POS App" interface on a different page. The main menu and user profile are identical. The current page is "Tambah Produk" (Add Product). The form fields are:

- Nama**: Input field for product name
- Deskripsi**: Input field for product description
- Stok**: Input field for product stock
- Harga**: Input field for product price
- Kategori**: Dropdown menu with option "-- Pilih Kategori --"

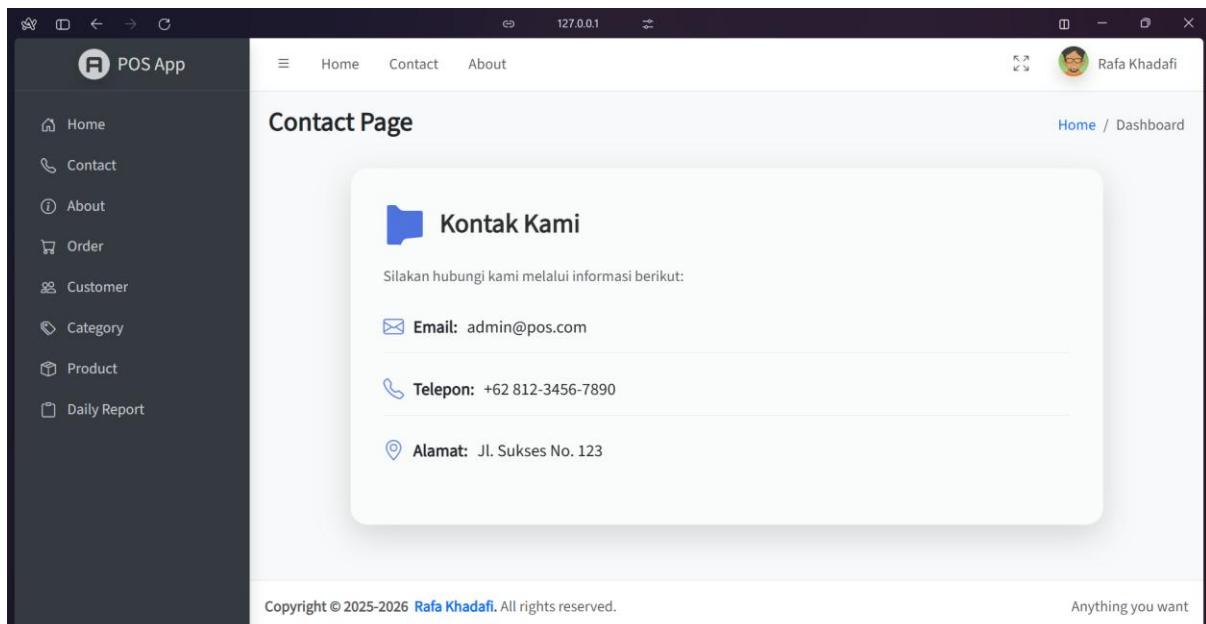

At the bottom are two buttons: "Simpan" (Save) in blue and "Batal" (Cancel) in grey.

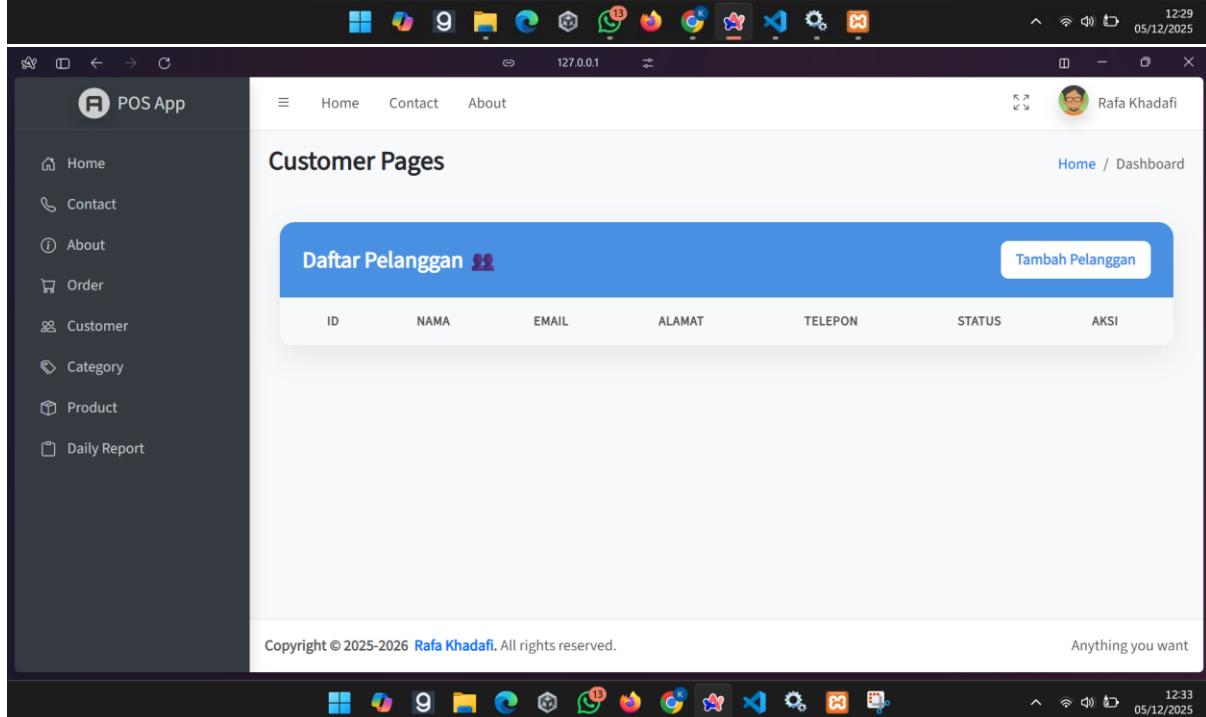

The screenshot shows the Home Page of the POS App. On the left is a dark sidebar with icons and labels for Home, Contact, About, Order, Customer, Category, Product, and Daily Report. The main content area has a teal header with the text "Selamat Datang di Aplikasi POS" and a sub-instruction "Kelola produk, pelanggan, dan kategori dengan mudah menggunakan dashboard modern ini." Below this are three cards: a red one showing "0 Jumlah Pelanggan" with a link to "Lihat Pelanggan →", a yellow one showing "0 Jumlah Kategori" with a link to "Lihat Kategori →", and a green one showing "0 Jumlah Produk" with a link to "Lihat Produk →". In the top right corner, there's a user profile for "Rafa Khadafi - Ai Engineer Creator in 2025" with options for "Profile" and "Sign out". At the bottom, it says "Copyright © 2025-2026 Rafa Khadafi. All rights reserved." and "Anything you want".

The screenshot shows the Category Pages section of the POS App. The sidebar is identical to the Home Page. The main content area has a blue header with the text "Daftar Kategori Produk" and a "Tambah Kategori" button. Below is a table with columns "ID", "NAMA KATEGORI", "DESKRIPSI", and "AKSI". The table currently has no data. At the bottom, it says "Copyright © 2025-2026 Rafa Khadafi. All rights reserved." and "Anything you want".

The screenshot shows the 'Contact Page' of the POS App. The left sidebar has a dark theme with white icons and text. It includes links for Home, Contact, About, Order, Customer, Category, Product, and Daily Report. The main content area has a light background. At the top, it says 'Contact Page' and 'Home / Dashboard'. Below that is a section titled 'Kontak Kami' with a blue folder icon. It contains the text 'Silakan hubungi kami melalui informasi berikut:' followed by three items: 'Email: admin@pos.com', 'Telepon: +62 812-3456-7890', and 'Alamat: Jl. Sukses No. 123'. At the bottom of the page, there's a copyright notice 'Copyright © 2025-2026 Rafa Khadafi. All rights reserved.' and a placeholder 'Anything you want'.

The screenshot shows the 'Customer Pages' section of the POS App. The left sidebar is identical to the Contact Page. The main content area has a light background. At the top, it says 'Customer Pages' and 'Home / Dashboard'. Below that is a blue header bar with the text 'Daftar Pelanggan' and a person icon. To the right of the bar is a 'Tambah Pelanggan' button. A table below the bar has columns labeled ID, NAMA, EMAIL, ALAMAT, TELEPON, STATUS, and AKSI. At the bottom of the page, there's a copyright notice 'Copyright © 2025-2026 Rafa Khadafi. All rights reserved.' and a placeholder 'Anything you want'.

The screenshot shows the POS App interface on a Windows desktop. The title bar reads "127.0.0.1" and the application title is "POS App". The main content area is titled "Daily Report Page" and displays a "Daily Sales Report" for the date "05 Dec 2025". The report summary includes:

- TOTAL TRANSACTIONS: 0 Order
- TOTAL PRODUCTS SOLD: 0 Pcs
- GROSS INCOME: Rp 0

A message below states "No transactions were recorded on this date." The left sidebar contains navigation links: Home, Contact, About, Order, Customer, Category, Product, and Daily Report.

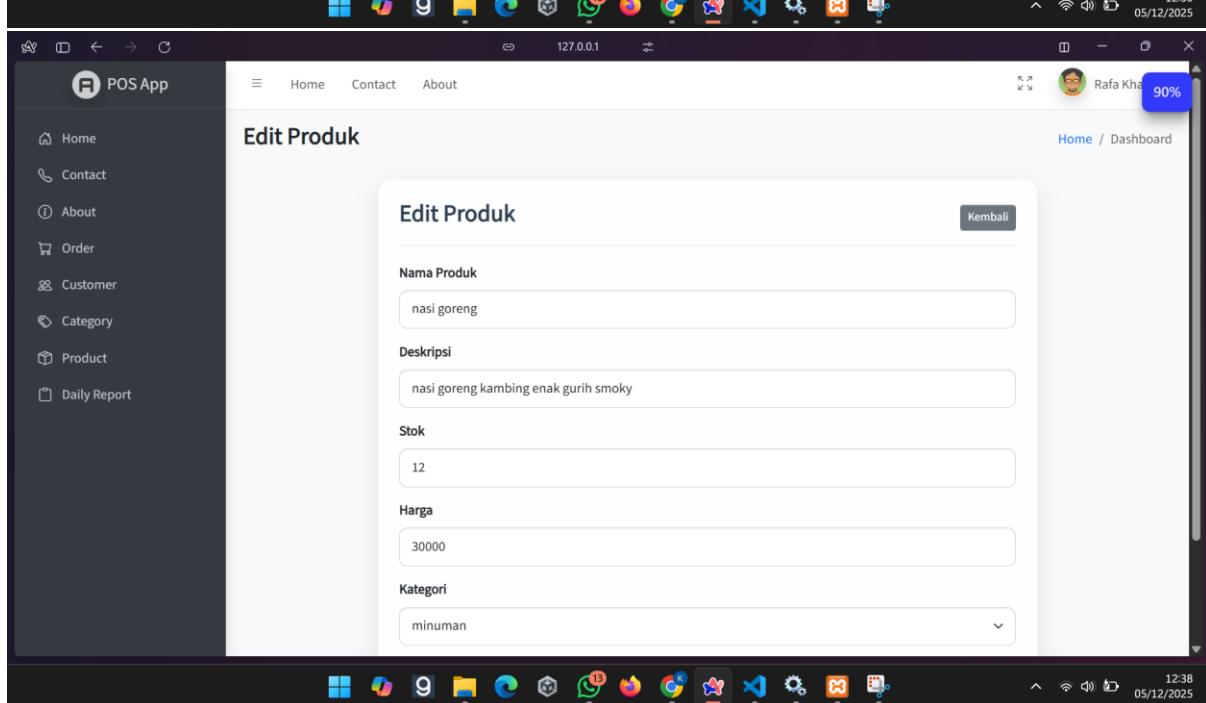

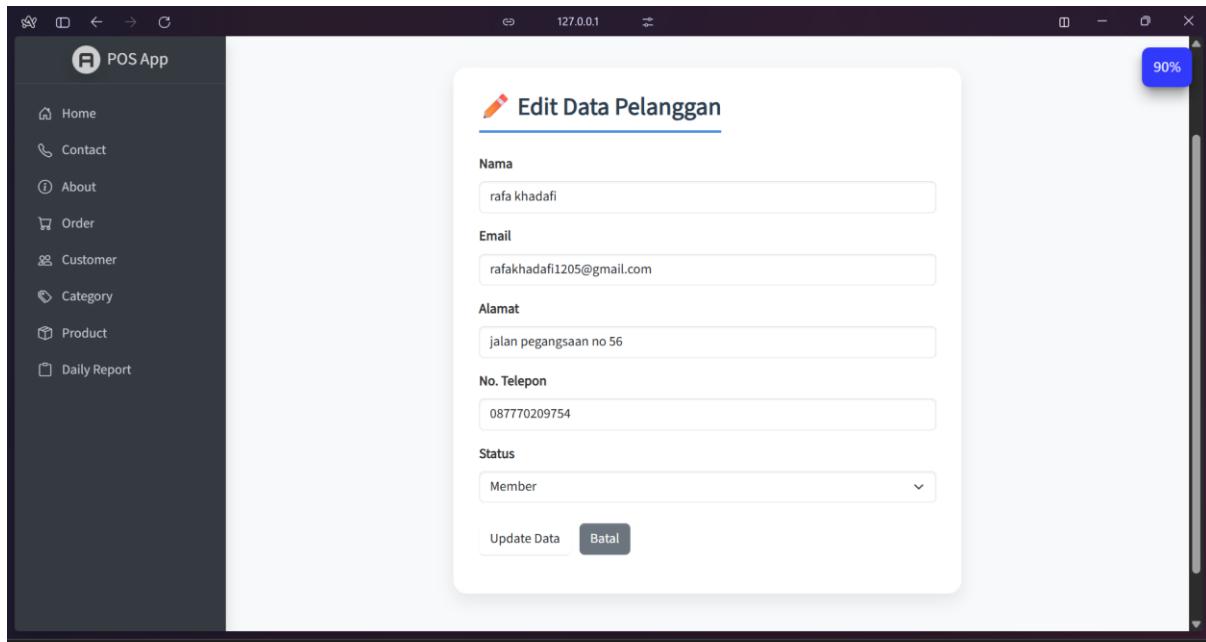

The screenshot shows the POS App interface on a Windows desktop. The title bar reads "127.0.0.1" and the application title is "POS App". The main content area is titled "Edit Kategori" and displays a form for editing a category:

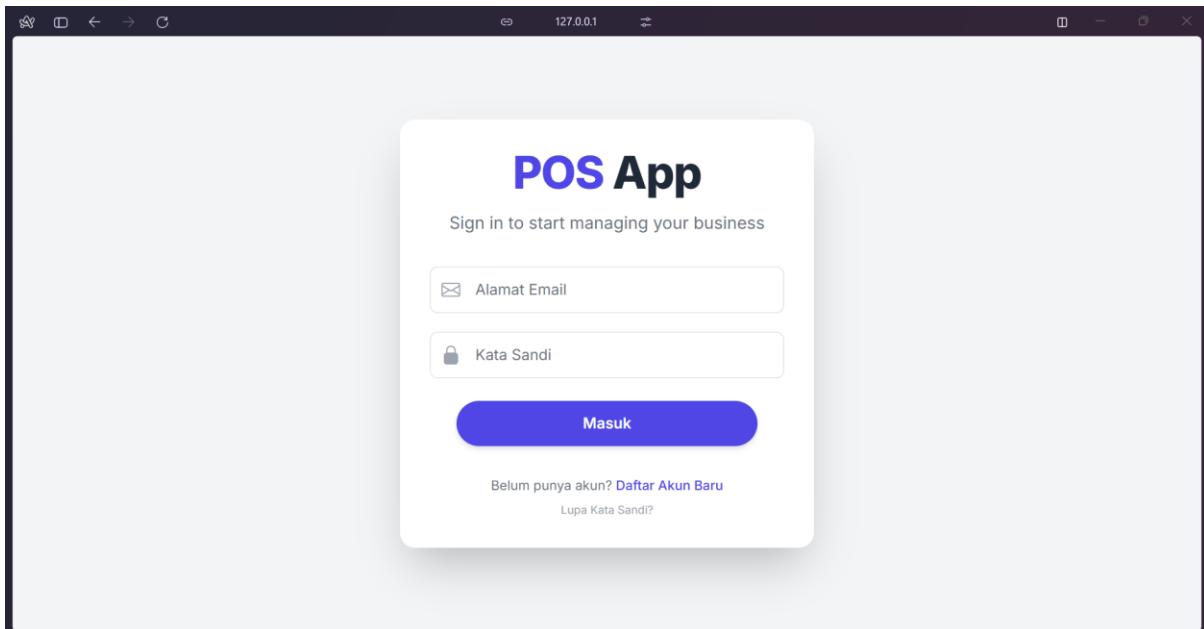

**Nama Kategori:** minuman

**Deskripsi:** minuman seger untuk santai

Buttons: **Update Kategori** (green), **Batal** (gray)

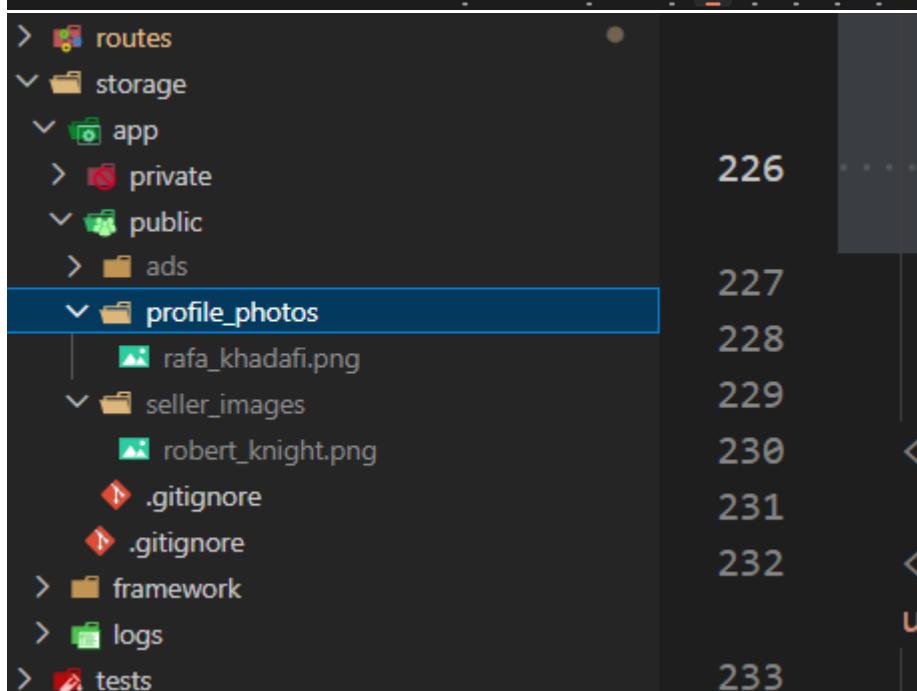

The left sidebar contains navigation links: Home, Contact, About, Order, Customer, Category, Product, and Daily Report.

The screenshot shows the Order Page of the POS App. On the left, a sidebar menu includes "Home", "Contact", "About", "Order", "Customer", "Category", "Product", and "Daily Report". The main content area has a header "Order Page" and a breadcrumb "Home / Dashboard". It displays two sections: "minuman" (beverages) and "makanan" (food). Under "minuman", there is a card for "es kelapa" (coconut milk) with a price of "Rp 10.000" and "Stock: 2", with an "Add" button. Under "makanan", there is a card for "nasi goreng" (fried rice) with a price of "Rp 30.000" and "Stock: 12", with an "Add" button. To the right, a "Buat Order Baru" (Create New Order) form is shown. It has a "Customer" dropdown set to "rafa khadafi", a table for adding products with columns "Product", "Qty", "Price", and "Action", and a "Total: 0" label. A green "Submit Order" button is at the bottom. The footer contains copyright information "Copyright © 2025-2026 Rafa Khadafi. All rights reserved." and a placeholder "Anything you want". The taskbar at the bottom shows various open applications like Microsoft Word, Excel, and browser tabs.

The screenshot shows a web-based POS application interface. At the top left is a sidebar with a logo and navigation links: Home, Contact, About, Order, Customer, Category, Product, and Daily Report. The main content area has a header "Daily Report Page" and a sub-header "Home / Dashboard". Below this is a blue header bar with "Daily Sales Report" and the date "05 Dec 2025". Three summary boxes show "TOTAL TRANSACTIONS 0 Order", "TOTAL PRODUCTS SOLD 0 Pcs", and "GROSS INCOME Rp 0". A section titled "Transaction Details" contains a table with columns NO, INVOICE, CUSTOMER, TOTAL, and TIME. A message at the bottom of the table says "No transactions were recorded on this date." The bottom right corner of the window shows the system tray with icons for battery, signal, and date/time.
